

setup_sprites

```
graph LR; A[setup_sprites] --> B[create_sprite_xpm]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'setup_sprites'. A blue arrow points from this box to a second box on the right, which is white and contains the text 'create_sprite_xpm'. Both boxes have a thin black border.

create_sprite_xpm
