

prepare_background

```
graph LR; A[prepare_background] --> B[draw_pixel]; B --> C[get_bytes_per_pixel];
```

A horizontal flowchart with three rectangular boxes. The first box on the left is shaded gray and contains the text 'prepare_background'. A blue arrow points from its right side to the second box, which is white and contains 'draw_pixel'. Another blue arrow points from the right side of the second box to the third box, which is white and contains 'get_bytes_per_pixel'. All boxes have a thin black border.
